Development

Idea of development

Varies from person to person 🤔

Different people, different goals

- Goals other than income National Development
- How to compare different countries or states?
- Income and other criteria.
- Public facilities
- Sustainability of development

What development promises? Different People, Different goals

How?

Different persons can have different developmental goals and what may be development for one may not be development for the other. **Example; Construction of dam**

Income and other Goals

Money and Equal treatment, freedom, security, Respect

These all makes up the complete goals for a human beings.

Example

Considering a job?

For development, people look at a mix of goals.

National Development

Notion for the development 🤔

Different as well as conflicting 🤔

- Then how to compare different nations? 🤔
- How to see that which nation is developed and which is not? 🤔

▪▪ Usually we take one or more characteristics ➡

And for comparing countries, their income is considered to be one of the most important attributes. 🤔

Average income

Limitations of Average Income

Income and other Criteria

Comparing nations on the criteria other than income

- Infant Mortality Rate
- Literacy Rate
- Net Attendance Ratio

[Comparison between Haryana, Kerala and Bihar]

Public facilities

Meaning 🤔

Need 🤔

Money in your pocket cannot buy all the goods and service that you may need to live well. 🤔

BMI [Body Mass Index]

$$\frac{\text{Weight in kilograms}}{(\text{Height in meters})^2}$$

- Below 18 = underweight
- Above 25 = overweight

HDR [Human Development Report]

- Published by United Nations development programme (UNDP).
- Compares countries on the basis of educational level, health status and per capita income.

Sustainability of Development 🤔

"We have not inherited world from our forefathers, we have borrowed it from our children."
